Brave Girl Kicks Out Blazing Bomb

New York, June 5.—While saying goodbye to her sweetheart in the doorway of her home, on Eighth avenue, New York city, Miss Violet Perry noticed what she took to be a blazing bomb lying on the floor. Her surmise was correct. Without hesitation, she stamped on the burning fuse, three in number. Examination showed an infernal machine containing three pounds of dynamite, a sufficient quantity to have wrecked the whole building and all the families living in it. Miss Perry, after the ordeal was over, became hysterical and had to be carried to her apartment upstairs.

When One Is Very Young

Lots of Things Are Likely to Happen, but Time Will Show the Foolishness of It. By Dentrice Fairfax.

G. K. writes: "I am 17 years of age and in love with a girl one year my junior. I am in love with her very much, but I don't know if she loves me. I feel as if I am getting sick, knowing not what to do."

This boy and girl love—call love, some say—may develop into something larger, truer, finer, but the chances are all against it. A boy of 17 thinks he has found the one love for life and he also thinks he will never become too old to prefer his potatoes. He is sure that his heart will never weary from the choice of his youth and just as sure that when he has grown old and gray, and has earned the right to spend money on his chosen, that he will at last gratify his youthful longing for nut sundae.

The love of a young man and woman is seldom serious, and does not even become a pleasant memory for the reason that there were so many of them. The one picture he thinks he will always carry in his heart becomes the composite picture of many, and he forgets in a few years that he had blue eyes of brown, and if it were Mary who gave him a lock of her hair, or Susan.

His emotions are so short lived that calf love would be something to laugh about were it not for the waste of time every such love represents. In the growing, developing, eventful and impressionable period of life, when a boy and girl should be studying their school books and laying the foundation for helpful manhood or womanhood, they moon around to the neglect of everything in life that is worth while, devoting every hope, every energy, every thought to what they call love, but which bears no resemblance to love that is a precious jewel.

It is most regrettable that so much time is wasted in seeking for the counterfeit, instead of preparing one's self by study and training and self-control to appreciate the genuine that will come later.

Needless Waste. G. K. has recovered from the sickness that prompted his letter long ere this. It is as if he called a physician to minister to an ailment so short-lived that it had vanished when the physician arrived. But the physician would warn him against another such attack, and explain the folly of needless pain, the waste of health and energy that could be avoided.

I can do no more. The remedy lies in his own hands. He must put such devotion into the effort to make a man of himself that there isn't time, room or inclination left for indulgence in the emotions that are not his due till he reaches man's estate.

SAN ANTONIO MAN KILLED.

Mercedeth, N. H. June 5.—Thomas Coateshell, of San Antonio, Texas, was killed here yesterday. His mother-in-law has been arrested.

Asthma Sufferers

have within their easy reach a remedy whose efficiency has been proven for 36 years—the celebrated

Warner's Safe Asthma Remedy

Read what it did for Mr. W. J. Hanson of Wallington, Mass. "I had asthma very bad and could not sit up at night after night. Could get no relief until I took Warner's Safe Asthma Remedy. In five minutes I was breathing easy and went right to bed and slept. I would not be without it."

Warner's Safe Remedies

Each for a purpose:

- 1—Kidney and Liver Remedy
- 2—Rheumatic Remedy
- 3—Diabetic Remedy
- 4—Asthma Remedy
- 5—Nervine
- 6—Pills (Constipation)

Sold by all Druggists. Write for a free sample giving the number of remedy desired to Warner's Safe Remedies Co., Dept. 386, Rochester, N. Y.

ROAD BOND ISSUE

Election to Validate Issue Is Almost Unanimous For the Bonds.

The El Paso Herald's automobile left the Herald office at 3:30 o'clock every afternoon, except Sundays, for all points on county road and for Las Cruces. The return to El Paso from the Herald's Las Cruces office (the Postoffice Newsstand) at 10 a. m. Arrangements were made with E. T. Johns, at Las Cruces, for delivery of The Herald and for auto service. Remits for the Las Cruces department will be given careful attention if mailed to Mrs. Herbert Yeo, P. O. box 492, or telephone to her at phone 274.

Las Cruces, N. M., June 5.—Donna Ana county tax payers have voted almost unanimously for a good roads bond issue of \$100,000, which already had been issued and sold, covering the validation of the bonds by the voters in a second election. In a vote on the road bonds, Mesilla Park precinct led with the greatest majority of votes in favor of good roads. The vote all over the county was in favor of the bonds, the fact that the farmers were very busy in their alfalfa fields and the general feeling existing that the tax would meet with little if any opposition caused many to remain away from the polls.

Railroad News Of the Southwest

The Herald will welcome contributions or corrections of any errors in this column. Sign name to all communications, and it will not be published.

Pat McCoury, passenger engineer for the G. H., is laying off.

G. H. Griffith, extra switchman for the G. H., is laying off.

J. O. Crow, fireman for the T. & P., has reported for duty.

G. H. Alsop, brakeman for the T. & P., has reported for duty.

N. T. Merrill, switchman for the G. H., has reported for duty.

C. L. Zurich, extra brakeman for the T. & P., is laying off sick.

C. Butler, roadmaster of the Lordsburg division, is in the city.

C. N. Holford, engine foreman for the G. H., has reported for duty.

C. W. Norton, switchman for the E. P. & S. W., has reported for duty.

Tomlin Night, fireman for the E. P. & S. W., has laid off for one year.

Ed Schwartz, engineer on the day house engine, has reported for duty.

C. W. Broth, passenger engineer for the T. & P. & S. W., has reported for duty.

S. T. Strahan, extra fireman for the G. H., worked on the day coach engine Tuesday.

Engineer Spence, on the day lead engine for the G. H., has reported for duty.

Brakeman Brown, of the S. P., got his shoulder dislocated at Stein's Pass Tuesday.

The rock rush still keeps up. The Santa Fe delivered 22 cars to the G. H. last night.

E. N. Ruff, Pullman conductor, is leaving off for three weeks and has left for Galveston.

George Yancy, night herder for the T. & P., is laying off and Paul Rose is filling the vacancy.

E. B. Goodale, day herder for the G. H., is laying off and C. N. Halford is filling the vacancy.

J. H. Shaw, extra conductor for the T. & P., is working in conductor Shay's place for a few trips.

A. Withers, passenger position with the S. P. as brakeman at Tucson. He left last night on No. 7.

C. C. Conner, conductor for the T. & P., has been reinstated and went out on his run last night.

No. 9 came in one hour and 20 minutes late this morning. All other morning trains were on time.

Bill Hanna, local conductor on the Santa Fe, is laying off and M. W. Shine is filling the vacancy.

Jack McIndus, brakeman for the T. & P., has gone to Toiyah to work in the woods for a few days.

O. E. Lendholm, supervisor of the water service for the G. H., has gone to Hot Wells for two weeks.

S. P. Deet, conductor for the T. & P., is back on the extra board, being bumped by conductor Bryan.

W. L. Bush, switchman for the E. P. & S. W., is laying off and switchman Grimes is filling the vacancy.

Freeman Vincent, on the day coach engine for the G. H., is going back on the extra board for road work.

There is a shortage of trainmen on the Santa Fe at El Paso. The Tucson office is continually calling for men.

W. L. Erwin, passenger fireman for the G. H., is laying off and fireman P. Cowan is filling the vacancy.

T. G. Richmond, helper on the day house engine for the G. H., is laying off and E. A. Arnold is filling the vacancy.

J. W. Griggs, helper on the night rig track engine for the G. H., is laying off and F. B. Pierce is filling the vacancy.

C. L. Adams, engineer on the 5:30 a. m. engine for the E. P. & S. W., is laying off and engineer Walter Spaulding is filling the vacancy.

EASTERN NEW MEXICO SOAKED BY BIG RAIN

Clovis, N. M., June 5.—Rain, which began yesterday afternoon, continued today, and the result was a deluge. The wide area in eastern New Mexico and the panhandle of Texas, and will be of untold benefit to the farmers, as well as stockmen, reviving the grass on the range, which has been badly scorched by the hot sun. The rain, which fell in a steady shower, was hailed by the grasshopper plague.

Wright cleans clothes cleanest.

"NIGHT RIDERS" THREATEN RAID IN VIRGINIA

Hinderson, Va., June 5.—A reign of terror, more serious than similar depredations of recent years, is threatened by "night riders" against the tobacco growers of this district. Threatening communications from the "riders" have been received by Wm. Elliott, president of the Stemming District Tobacco association, and Leigh Harris, editor of the Henderson Daily Journal.

BAGGAGEMEN WAGE FIGHT AGAINST ROUNDED TRUNKS

Colorado Springs, Colo., June 5.—If legislation suggested at the session of the American and Western Association of General Baggage Agents is carried out, bulging rounded trunks will be prohibited from baggage traffic. The baggage men propose to secure, if possible, a more uniform trunk design that will aid them in preventing possible damage to other baggage.

MIDLAND TO SLAUGHTER BEEVES FOR BIG BARBECUE

Midland, Texas, June 5.—The town of Midland is making preparations for a celebration on the Fourth of July, to which all of west Texas will be invited. The chief feature of the day will be a barbecue, in which over 20 beeves will be slaughtered.

EL PASO BLACKSMITH MADE A DISCOVERY

Found Plant Juice to Be All That Is Claimed For It and More.

Mr. Charles Holmes, a popular blacksmith, who works at the Longwell shop, corner Santa Fe and San Antonio Streets, and who lives near the shops, on Santa Fe Street, tells the following: "I have been troubled for more than two years with kidney trouble that was getting worse every day. I tried a good many treatments, but nothing would take the pain out of my back. Sleep would be broken on account of having to get up so often. My trade, blacksmithing, is a hard one, and my kidneys breaking down made work a misery instead of a pleasure. A friend recommended Plant Juice and I bought a bottle. From the first it began to help me. I sleep through the nights undisturbed. Back broke fine. The Plant Juice is all right. It has proven all that it is recommended to be in my case."

For the restoration of nerve force, for the relief and cure of all stomach, kidney, liver and blood ailments Plant Juice is the greatest tonic of the age. It cleanses the liver, cures biliousness, relieves indigestion, catarrhal troubles and all kidney complaints. It cleanses and removes uric acid and other poisons from the blood. Kelly & Pollard sell it.—Advertisement.

BERINO VOTES FOR ROAD BOND ISSUE

Berino, N. M., June 5.—In the road bond election, this precinct gave a good majority for bonds.

Casey is having extensive improvements made on his home and is having electric lights installed.

The Women's Home Mission society was entertained Wednesday afternoon by Mrs. E. R. James at her home.

After the business session, a social hour was enjoyed and refreshments were served.

Those present, besides the hostess, were: Mesdames S. G. Kilgore, M. E. Wilson, W. H. Edwards, J. B. Bullock, L. J. Hubbell, O. M. Morris, W. C. Mossman, Misses Abbie Kilgore, Hazel Creamer and Harry Rishaberger.

The home of Mrs. S. W. Howard.

A merry party of campers, Mr. and Mrs. F. McKany, and Mr. and Mrs. W. C. Mossman, were at the home of Mrs. S. W. Howard.

"PERFECTION POULTRY FOODS"

Are the cleanest and most scientifically prepared foods on the market. We buy only the best of grains for use in these foods and every bit of grain used is first run through a cleaner and every particle of dust and dirt removed.

A great many poultry foods are made by factories which manufacture other goods and they use the inferior grains and by-products for their poultry foods. These inferior grains do no possess the feeding value of the perfect grain, therefore, their products should not be put in the same class with "Perfection foods." If you wish to be convinced of the superiority of our mixture take a sample of "Perfection" and compare it with any other hen food on the market. Our foods are mixed from formulas given us by one of the most noted poultry experts in the country and also formulas furnished us by the U. S. Government, obtained by them through experimental work.

GETS \$250 AN ACRE FOR VALLEY RANCH

Seth Orndorff Pays \$2500 Cash for Dr. A. E. Brown's 257 Acre Alfalfa Farm.

Mrs. A. V. Oden has received a record price of \$250 an acre for her 55 acre ranch in the 8000 acre alfalfa valley near the Orndorff and Wallington ranches. Alex Gardner, of Sierra Blanca, bought the place. It is planted in alfalfa and there is a small orchard, besides the four room house.

Another lower valley deal of interest is the sale of Dr. A. E. Brown's 257 acre alfalfa farm, which Seth Orndorff bought for \$2500 cash. It is fully planted in alfalfa, and there is a 2500 acre orchard thereon, besides an 11 room adobe house and an alfalfa shed.

Building 15 Miles of Fence. Seth Orndorff is building 15 miles of fence on his ranch on the mesa, north of Socorro. Already seven miles of fence have been finished and when the whole thing is completed he will have 28,000 acres under fence. He owns 25 sections of this land, and the rest is leased, school land, and alfalfa pasture on it at the present, but intends to put some blooded stock there.

Building \$5500 Bungalow. The Mayfield Building and Improvement company is erecting a five room, modern, brick bungalow in the 2500 block on Montana street for Harry A. Erwin, who is connected with Davis

Brook real estate office. The building is to cost \$5500.

Residence is Sold. J. H. Latham, of Lake Valley, N. M., has sold the seven room brick residence at 1141 East Rio Grande street to John T. Parker for \$2500. The sale was made by the Pink-Hansley Realty company.

Building Brick House. The Phoenix-El Paso Building company is erecting a two room brick house on lot 5, and four feet of lot 6, in block 77, Highland Park, for J. St. Burton. It is to cost \$272.

HALLMARK SHIRTS

—the best named of all shirts—because they give their wearers that hallmark of personal refinement which only really fine shirtwear can give.
